

SENATOR CARPENTER: Any time, hour, day, month or year.

SENATOR DICKINSON: OK, I would like to make some comments then in defense of particularly the rural Senators who need secretarial help who need a little bit of the time, probably not any where near full time and they have someone in the family be it their wife, daughter, daughter-in-law or whoever, a highschool girl even or boy that can do it, without this they probably couldn't get anyone at all. Unless a...a...last summer I got permission from...to let my daughter-in-law do whatever little bit of typing that I did. I think that she got paid all of \$55-\$60. Now it seems silly that we as legislators if we are willing to face the supposedly wrath of our constituents by hiring a member of a family for this sort of thing, this would be our own individual risk. This would simply deny many rural senators of the opportunity of having any help.

PRESIDENT: Chair recognizes Senator F. Carstens.

SENATOR F. CARSTENS: Mr. President, members of the legislature, I would like to go home. I move the previous question.

PRESIDENT: Previous question has been moved. Does the Chair see five hands? Question is shall the debate now close? All those in favor vote aye, those opposed vote no. Motion is to close debate on the issue. Clerk will record.

PRESIDENT: Senator Carpenter, do you have any closing on your motion? Lets read the motion again and make sure that we understand what we are voting on here.

PRESIDENT: Motion is adopted.

CLERK: Read LR181, LR182, LR183

PRESIDENT: Chair recognizes Senator Burbach.

SENATOR BURBACH: Mr. President, members of the legislature I would like to add a few words to the resolution that you have just heard read here. I do not want to leave the impression that I have served more time a than anyone else here, but I have served outside of Senator Syas, a co-equal amount of time of consecutive years of service and these two gentlemen have been here most of that time. I think that it is outstanding tribute that Senator Mahoney has provided and I know that this body will enjoy with but I especially want to say a few words about these two men. Mr. Odell Hanson is possibly the hardest working people that I have ever run across. He is sitting at his desk or he is here at the desk, and he is always involved with his work. In the case of Dick Herman a little different
